SUMMARY

Creative and detail-oriented Web & Graphic Designer with 4 years of experience in designing responsive websites, engaging user interfaces, and impactful brand visuals. Skilled in UI/UX design, web design, branding, and graphic design with a strong focus on user experience and business goals. Passionate about transforming ideas into visually compelling digital solutions that enhance brand identity and drive user engagement

WORK EXPERIENCE

Web Designer | CODE DREAMZ

(2021–2025 | Mohali)

- Designed and developed responsive websites using HTML5, CSS3, and Bootstrap.
- Converted PSD, Adobe XD, and Figma designs into pixel-perfect, responsive HTML websites.
- Created modern, user-friendly, and visually appealing website layouts with a focus on UI/UX best practices.
- Optimized websites for seamless performance across mobile, tablet, and desktop devices.
- Customized and maintained Shopify themes, including page layouts, sections, and storefront design.
- Collaborated with designers and developers to deliver high-quality, responsive web solutions within project deadlines.
- Ensured cross-browser compatibility, website accessibility, and performance optimization.
- Implemented clean, reusable, and well-structured front-end code following industry standards.

Web Designer Trainee | EWEB A1 PROFESSIONAL

(2019–2020 | Mohali)

- Learned and applied WordPress to create, customize, and manage responsive websites and website content.
- Designed and edited web graphics, banners, landing page assets, and promotional materials using Adobe Photoshop.
- Developed and maintained web pages using HTML5 and CSS3, ensuring clean and well-structured code.
- Assisted in designing and developing responsive website layouts optimized for mobile, tablet, and desktop devices.
- Collaborated with senior designers and developers to translate design concepts into functional, user-friendly web pages.
- Supported website testing, debugging, and cross-browser compatibility to ensure a consistent user experience.
- Gained hands-on experience in UI/UX principles, website optimization, and front-end development best practices.
